1050 Wien (Austria) Fax +43 1 5442543-10

The company

Vita Baltic International UAB

Jurgiškiai, Alytus region

62181 None, LITHUANIA

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 75209**

Tested for harmful substances

according to Oeko-Tex® Standard 100

64406

OeTI

for the following articles:

Flexible polyether polyurethane foams, listed below, in different grades, partly finished with a flame-retardant product accepted from Oeko-Tex®, up to a height of 15cm: - Conventional (VB) - Conventional combustion modified (CV) - High resilience (HR) - High resilience combustion modified (CH) - Viscoelastic (memory) Vitarest (VE) - TIGER touch (TT)

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.10.2015

Wien, 21.11.2014

OEKO-TEX® Department Dipl.-HTL-Ing. Helene Melnitzky
